

Informationen about the Dresden 2026 Industrial and Book Exhibition

Conference and exhibition location:

**Technische Universität Dresden
Campus Südvorstadt
01069 Dresden**

The conference and the accompanying physics and book exhibition will take place on the South Campus of the Technical University, 01069 Dresden. The TU Dresden is located near the city center and is within walking distance of the train station (approx. 20 min.).

The exhibition areas can be accessed via Helmholtzstraße. If using a navigation device, please enter "Helmholtzstraße 7, 01069 Dresden." Delivery of exhibits (trucks and parcel services) and all exhibitors should use the access road between the Görges Bau (GÖR) and Berndt-Bau (BER) buildings from Helmholtzstr. Please mention "DPG exhibition" or "DPG conference" at the barrier to gain access. In order to spread out the arrival of exhibiting companies on Monday, exhibitors in Tent A should use the designated unloading zone at the HSZ; exhibitors in Tent C should use the Mommsenstrasse access road.

Please note that parking on campus and in the neighboring area of TU Dresden is very limited! The adjacent roads and streets next to the exhibition areas are only to be used for short-term loading and unloading.

The following exhibition areas are available:

- Tent A (Bergstraße)
- Tent C (Mommsenstraße)

Exhibition period: March 10 – 12, 2026

Opening hours:

In such cases, please provide the transport company with the following contact details:

Mr. Thomas Kotte, mobile: +49 172 744 0212 or by email: tk@intercom-kongresse.de

Please call to register 1 hour before arrival.

We ask non-EU countries wishing to send packages to contact Mr. Kotte as soon as possible to prepare for customs clearance.

Please clearly mark all shipments with the following additional note:

DPG Exhibition

Exhibitor's sender address**Stand location****Number of packages (e.g., 1/3, 2/3, and 3/3)**

Unloading at the lecture hall center is only possible with vehicles equipped with a tail lift or by hand—only pallet trucks are available, no forklifts or loading ramps!

Assistants are available to help you with all setup and dismantling work, as well as with transporting your materials within the building.

Collection of exhibition goods for return:

Only after prior notification to Thomas Kotte!

Please ensure that the shipments are labeled with valid and fully completed return labels and that they are picked up immediately by parcel services or carriers. Shipments left in the warehouse will be disposed of without consultation! Please note that no liability can be accepted for shipments that are insufficiently stamped or not picked up!

Registration of stand personnel

Employees of companies who are not taking part in the conference but are only looking after the exhibition stand do not need to register and can wear their own name badges. However, if there is an interest in the scientific contributions, a maximum of three employees per company can enter the Auditoriums free of charge. Registration at the conference office is required for this.

Details of table orders

Tables with the following dimensions are available: 140 x 60 cm.

Parking situation for exhibitors

Parking on campus and in the adjacent grounds of TU Dresden is very limited. If possible, please use public transportation.

WiFi

WiFi is available in the tents. However, we would like to point out that due to the high number of participants during the conference, internet connections in all areas may be temporarily overloaded. We strongly recommend that you bring UMTS sticks with you.

Advertising measures during the exhibition

Unfortunately, there have been several instances in the past where companies have set up their roll-ups for advertising purposes outside the rented exhibition space. We would like to take this opportunity to point out once again that advertising measures (roll-ups, banners, etc.) outside the rented exhibition space or advertising in any other form (trade fair hostesses, etc.) are not permitted without prior consultation with the DPG office. Roll-ups that are set up without permission will be removed immediately.

Security

The tents in which the exhibition takes place will be locked and additionally guarded outside opening hours (17:00 p.m. to 9:30 a.m.) from the time they are set up (on Monday) until the end of dismantling on Thursday. During opening, setup, and dismantling times, exhibitors are responsible for the security and supervision of their stands and the associated (exhibition) items, goods, and persons. We recommend that you bring tablecloths or similar items to cover your stand at night. The organizer accepts no liability.
